## **Workforce Readiness Program Seeks Under Resourced Young Adults From USA, Brazil, & South Africa**

**International coaching/mentorship program April 25, 2021 - December 18, 2021**

*Mental Health - Entrepreneurship - Global Events - Workforce Readiness*

**Chicago (April 25, 2021) - [YourPassion1st](#) (YP1)** non profit organization presents **The Young Ambassadors International program (TYAIP)**. 35 young adults from Chicago, Brazil, and South Africa will embark on an unforgettable journey in pursuit of finding, defining, and following their passion into the workforce. A free of cost, project based and collaborative learning experience, their journey begins with starting the passport application process, which gives often overlooked and under resourced young adults an immediate jolt of inspiration, and the future opportunity to travel far beyond their communities.

**TYAIP** offers personal wellness, professional skills building and self-empowerment by the implementation of their projects. Young adults will create one individual [YourPassion1st](#) pitch project, develop a team project with their international counterparts, help create a **YP1** summer conference, and produce key components to this fall's seven day **[MCH International Weekend & Workforce Readiness Music Festival!](#)**

**About YourPassion1st:**

Through art, music, entertainment, sports, and culinary, [YourPassion1st](#) envisions a world where all young adults are inspired to find, define, and follow their passion into the workforce. We look to improve communities and help transform the world through innovative & collaborative workforce-readiness workshops, festivals, events and mentorships. TYAIP will help young adults learn to earn money in the area of their passion, tap into and demonstrate their value, build their confidence, help recognize their innovative and hidden talents, and most importantly inspire them to become an ambassador to the next generation.
